

TENANT SCREENING SOLUTIONS

We understand the complexity of the rental process. That's why we've streamlined the steps for you and your candidates, all while making sure you have the information to make the best rental decisions. Our screening options offer an approach that can provide a more detailed picture of your potential tenants. With our system you also have the ability to create your own screening packages, or use standard packages that we have available.

SCREEN APPLICANTS

- Reduce your risk of property damage, late payments, and eviction by pre-screening your rental applicants.
- **Customize your screening package to meet your needs!** You can order reports on everything from criminal to credit, evictions to employment.

FULLY FCRA-COMPLIANT

- All of Verified First's reports are verified for accuracy by our in-house compliance team.
